No. SM-15**

16 Pursuant to the Court's July 5, 2023 Order Appointing David Keyzer, Esq. as
17 Special Master for Discovery Purposes (Dkt. 62), and further pursuant to the Court's
18 referral of specific motions (Dkt. 191, Jan. 10, 2024 Order), and e-mail correspondence
19 between the Special Master and counsel for all involved parties on at least January 24,
20 26, and 29 and February 21, 22, and 23, 2024, the Special Master hereby:

1 **SETS** a discovery hearing for **February 28, 2024, at 1:00 P.M. Pacific Time**, by
2 videoconference, regarding:

3 Entropic's Motion to Amend Complaint [as to Defendants Cox
4 Communications, Inc., CoxCom LLC, and Cox Communications
5 California, LLC] (Civil Action No. 2:23-cv-1049, Dkt. 114), the Cox
6 Defendants' opposition (Dkt. 167), and Entropic's reply (Dkt. 177).

7 Counsel presenting oral arguments shall appear by video. Other counsel and other
8 attendees (such as client representatives) that do not present oral arguments may attend
9 either with or without video. Attendees shall mute their microphones when they are not
10 presenting oral arguments or are not otherwise actively participating at a particular time.

11 The parties shall confer and select a Reporter, and the cost of reporting and of
12 ordering transcripts shall be apportioned equally between Plaintiff(s) (one half) and
13 Defendant(s) (one half). The parties shall provide the Reporter's contact information to
14 the Special Master **no later than 5:00 P.M. Pacific Time the day before the hearing.**

15 The parties shall provide the Special Master and the Reporter with a list of
16 expected participants **no later than 5:00 P.M. Pacific Time the day before the hearing.**
17 This list shall be submitted by e-mail and shall indicate each name together with e-mail
18 address and status as counsel, client representative, or other relevant affiliation.

19 Each party shall provide all other parties, the Reporter, and the Special Master with
20 an electronic copy of any demonstrative presentation slides that the party intends to use
21 during the hearing **no later than 5:00 P.M. Pacific Time the day before the hearing.**
22 Such demonstrative presentation slides that are not designated as confidential shall also

1 be filed in PDF form on the Court's docket as an attachment to a Notice (slides
2 designated as confidential shall be provided only by e-mail to all other parties, the
3 Reporter, and the Special Master). The parties should not attempt any video screen
4 sharing or other presentation of demonstratives during the hearing but rather should refer
5 to the electronic copies that have been distributed by the parties prior to the hearing.

6 Use of a headset, earbuds, or a combination of a microphone and headphones
7 (rather than using any external speakers) is strongly encouraged so as to minimize
8 feedback, room echoes, and other audio interruptions that might otherwise be a
9 significant impediment to the Special Master in conducting the hearing, to opposing
10 counsel in responding to arguments, and to the Reporter in producing a clear record.
